

Is this your first time volunteering with HFH-MC?

If yes, consider attending an upcoming BluePrints meeting. BluePrints is our optional new volunteer information session where we discuss the many ways to volunteer with HFH-MC. This is a great way to learn what you can do to further HFH-MC's mission for simple, safe, decent, affordable homeownership for Montgomery County.

During the one hour BluePrints session, attendees are engaged in a discussion called "Habitat 101" where information about the global and local impacts of Habitat for Humanity's mission is discussed. The last half of the meeting reviews the various volunteer opportunities and programs available at HFH-MC.

BluePrints sessions are strongly recommended for individuals who think they would like to volunteer with HFH-MC but are unsure what to do first or what the options are. BluePrints is our one-stop-shop for all your volunteer questions!

To Register for BluePrints

Unless otherwise noted, sessions last one hour and are offered the second Wednesday at noon or the fourth Wednesday at 7pm at our offices – 9110 Gaither Road Gaithersburg, MD 20877. You must register, please visit <http://habitat-mc.volunteerhub.com/Events/Browse.aspx> to ensure space is available.

BluePrints Junior

If you are a youth member of the community, please consider attending BluePrints Junior. At these meetings, youth learn about Habitat for Humanity's exciting work and what we are doing in Montgomery County to help make simple, decent, affordable housing a reality for all people.

Find out what YOUth can do to help! Then, participate in a Habitat-themed activity. Because we include service activities with the informative meeting, students will receive SSL credit for attending. These meetings will have age-appropriate discussion and activities for all attendees up to age 16.

To Register for BluePrints Junior

Unless otherwise noted, sessions last one hour and are offered the fourth Wednesday of every month at 7pm at our offices – 9110 Gaither Road Gaithersburg, MD 20877. You must register, please visit <http://habitat-mc.volunteerhub.com/Events/Browse.aspx> to ensure space is available.
