Breakfast to Support Affordable Housing in Montgomery County

Habitat for Humanity Holds its Second Annual Affordable Housing Benefit Breakfast

Bethesda, Maryland (November 2, 2009) – On November 6, 2009 Habitat for Humanity of Montgomery County (HFH-MC) will host its Second Annual Affordable Housing Benefit Breakfast. The event will be held again this year at Marriott Hotel in Bethesda, and will feature the Sarceno family, who will share their personal story about how they became Habitat homeowners.

“Last year’s Benefit Breakfast marked the beginning of a very exciting time for Habitat. In partnership with the Montgomery County Department of Housing and Community Affairs (DHCA), Habitat will complete the rehabilitation of twelve vacant foreclosed properties in early part of 2010. We expect to continue to use our resources to rehabilitate older homes next year, as well as develop land for construction of single family homes and townhouse communities in the county” said John Paukstis, HFH-MC Executive Director.

Thanks to the generous support of event sponsors Craftmark homes, Freddie Mac and the Maryland Department of Housing and Community Development, this event is expected to be a great success. This year’s attendees include Montgomery County Executive, Isiah Leggett, county officials, event sponsors and local businesses.
