State Delegates Build a Habitat Home to Support Pride Build

GAITHERSBURG, MD (October 5, 2011) – On Friday, October 7, 2011 Habitat for Humanity of Montgomery County (HFH-MC) will host a team of state delegates led by Del. Bonnie Cullison who will be rehabilitating a home for a low-income family in the Silver Spring area of Montgomery County.

Habitat for Humanity of Montgomery County, MD believes that every family deserves a decent place to live. HFH-MC's Pride Build is only the 3rd affiliate in the nation bringing together the lesbian, gay, bisexual and transgender community to help build homes for families in need.

"We are extremely happy and honored that Delegate Cullison has initiated this Delegates Build Day, on behalf of the HFH-MC Pride Build project. She has assembled an energetic group of fellow delegates who see the importance of providing quality housing for our low-income families, while also acknowledging the integral part that LGBT residents play in making this diverse community stronger. We are very thankful for their support!" said Mike Meller, Pride Build Committee Chair.

HFH-MC's Pride Build hopes to promote understanding of diversity and equality for all families by working to provide simple, decent, and affordable housing for low-income families in Montgomery County. The team includes Del. Bonnie Cullison (District 19), Del. Shane Robinson (District 39), Del. Ariana Kelly (District 16), Del. Kirill Reznik (District 39), and Del. Mary Washington (District 43) as well as others in the community.

About Habitat for Humanity of Montgomery County

HFH-MC is an affiliate of Habitat for Humanity International. Since 1982, Habitat for Humanity of Montgomery County has partnered with the community and low-income families living in substandard conditions, to build simple, decent, affordable housing. To date, HFH-MC has served 94 local families. HFH-MC supports the notion that good, stable housing matters for neighborhoods. Better quality of living leads to stronger citizens and families. Habitat for Humanity is about changing lives, one home at a time. Visit our website at www.habitat-mc.org.
